## SUMMARY

Driven and dedicated front-end engineer with a strong foundation in modern web development technologies. Possesses a passion for creating visually stunning and user-friendly experiences, adept at collaborating with cross-functional teams, and continuously seeking opportunities to enhance technical skills and contribute to innovative projects. Committed to staying up-to-date with industry trends and delivering high-quality solutions that align with business objectives.

## WORK EXPERIENCE

### Information Technology Intern

#### Mckog Nigeria Limited

July 2023 – September 2023

-Actively participated in installing CCTV cameras at a fish farm, collaborating with teammates to set up DVRs and video balloons.

-Conducted site surveys for a company to plan their network setup using my analytical and documentation skills.

-Played an integral role in managing the network for Zenith Bank Prudential Insurance

-Independently delivered hardware to companies such as Accion Microfinance Bank, which honed my time management and client relationship skills.
